

WHAT TO DO TO ATTEND LECTURES IN BERN

1. Students enrolled in Basel register for exams (only, no registration for classes usually mandatory) in Bern via the online tool CTS (KSL), they usually have their campus account login from Bern already received: <https://www.ksl-vv.unibe.ch/KSL/veranstaltungen>
2. There is not really an English User Guide for CTS (KSL) available yet; but under support on the above mentioned website, there are several possibilities.
3. Detailed information about the new system: http://www.vsl.unibe.ch/content/index_eng.html
4. The grades will be transferred directly from Bern to Basel.
